SOCIAL STUDIES A VITAL PART OF TAFT'S CURRICULUM

Social studies includes the study of such subjects as history, geography, civics, and current events. These are subjects that relate the story of man, investigate where he lives, and examine his ability to live and work together with his fellow man in society. What can be of more importance to the future development of our world? If we can uncover errors made by man in society as revealed in history, perhaps man can avoid future blunders and mistakes.

Taft offers a wide selection of classes from which a student can choose to fulfill his three year social studies requirement. On these pages we can see some of Taft's social studies classes in action.

Taft's Learning Resource Center is at the very heart of our school's academic program. Not only does it contain a vast selection of books and magazines, but it also houses audio-visual materials and equipment of all sorts. In order for the L.R.C. staff to service our school's needs, it is imperative that students volunteer as L.R.C. aides. Shelving books that have been returned, helping to operate and distribute audio-visual materials, and helping to issue books are examples of just some of the work which Taft's L.R.C. aides do.

SPECIAL EVENTS

COLLEGE AND TRADE SCHOOL NIGHT

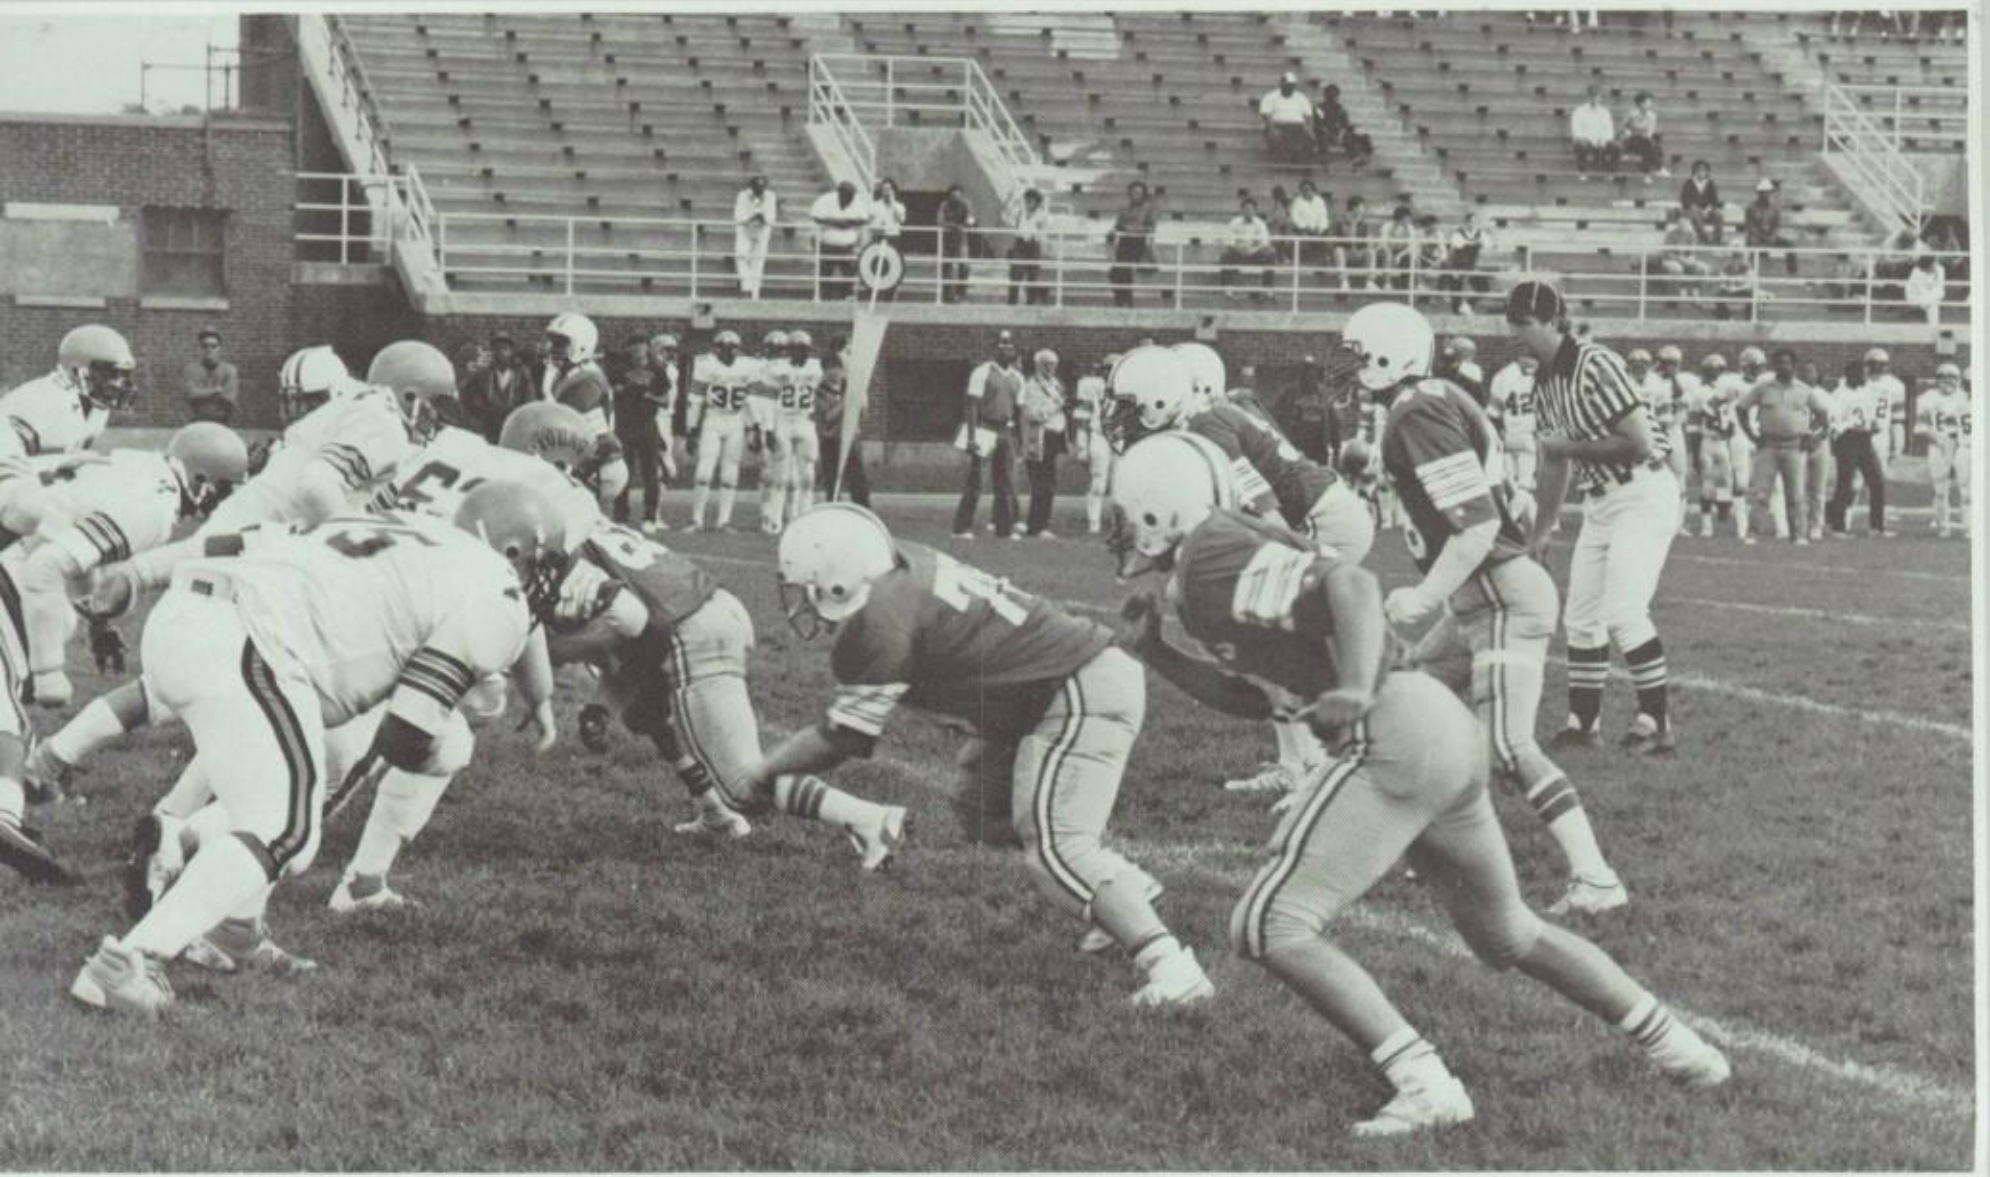

Taft High School held its annual College and Trade School Night on October 16, 1985. Over one hundred representatives were present from a wide variety of universities, colleges, and trade schools. These special evenings enable students to find out what the schools have to offer and help the students to make a more educated decision about where they should go to further their education.

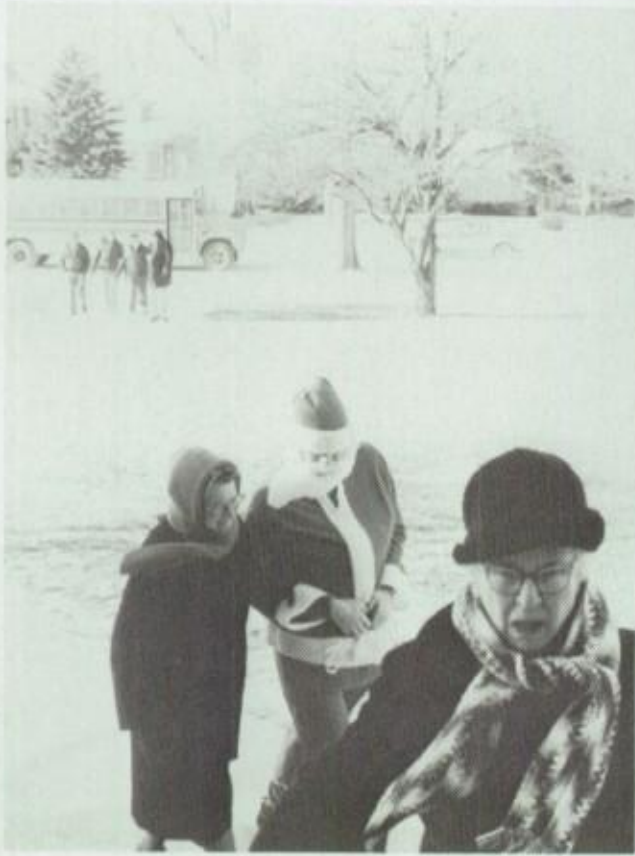

Taft held its homecoming football game against Whitney Young High School on Saturday, September 28, 1985. Flashes of color, magnificent floats, and an enthusiastic crowd gave the day a particularly exciting tone. The highlight of the afternoon came at half time when the floats were judged and Jim Van Pelt and Julie Bernahl were named Homecoming King and Queen.

HOMECOMING

SENIOR CITIZENS' CONCERT

During each Christmas season the Taft Key Club, H.E.R.O., and the Mixed Chorus present a senior citizens' concert in the auditorium. Senior citizens from neighboring retirement homes are invited to listen to beautiful choral music and to have refreshments. Taft's holiday season would not be complete without this successful annual event.

Many Taft students, most of whom were members of office occupations and business classes, helped collect money for the Edison-Norwood-O'Hare Kiwanis Club on Friday morning, September 27. This is an annual effort that gives our students the chance to be of service to the Taft community.

This year's football season was not as successful as had been expected. The Eagles had started out with a 3 and 0 record, and they thought that they were in for a great season. Even though Taft lost the next two games against Prosser and Whitney Young, the team still had hope. After they beat Steinmetz, they thought they were back on the winning track. The Eagles put up a great fight against Lane, but they were beaten with their heads up. All in all, our team had a good time playing - winning or losing. (by Ron Wozniak)

EARLY INVOLVEMENT PROGRAM

Taft's Early Involvement Program is a special program for gifted upper-grade elementary students. Two classes are offered: social studies and algebra. Mr. Marvin A. Pearlman instructs the social studies course, and Mr. Anthony Kosinski teaches the algebra class. The student receives honors level credit, and the social studies course also meets the consumer education requirement. Topics of instruction in social studies include psychology, sociology, anthropology, geography, history, political science, economics, urban studies, and planning for the future.

KUPCINET GYM DEDICATION

Last year on May 22, 1985, the Taft High Alumni Association dedicated our school's main gymnasium to Taft's legendary physical education teacher and coach, Joseph Kupcinet. Coach Kupcinet started teaching at Taft High when the school opened in 1939 and taught here through 1963. Among those who came to honor Coach Kupcinet were many of the Taft sports stars of the late 1950's and early 1960's who went on to have professional careers. They included Ken Kortas, Al MacFarlane, Ken Eeles, Gordy Lund, and Jim Grabowski.

“BARNUM”

CIRCUS RINGMASTER VISITS TAFT

Harold Ronk, former ringmaster for Ringling Brothers, Barnum and Bailey Circus, visited the cast of "Barnum" at 3 p.m. March 13 in the Taft auditorium. Mr. Ronk was known as the "Singing Ringmaster" and is a 30-year veteran of the circus. The many insights that he gave to the drama students helped them to develop their roles with greater realism and authenticity.
